

Research and achievements of SSH at ZRC SAZU, Ljubljana

Mimi Urbanc
mimi@zrc-sazu.si

Balance between challenge-driven and curiosity-driven research.

Combining local, national and global perspective.

Does all research need to be relevant?

Isn't excellence enough?

How can one define the impact of SSH beyond quantified indicators?

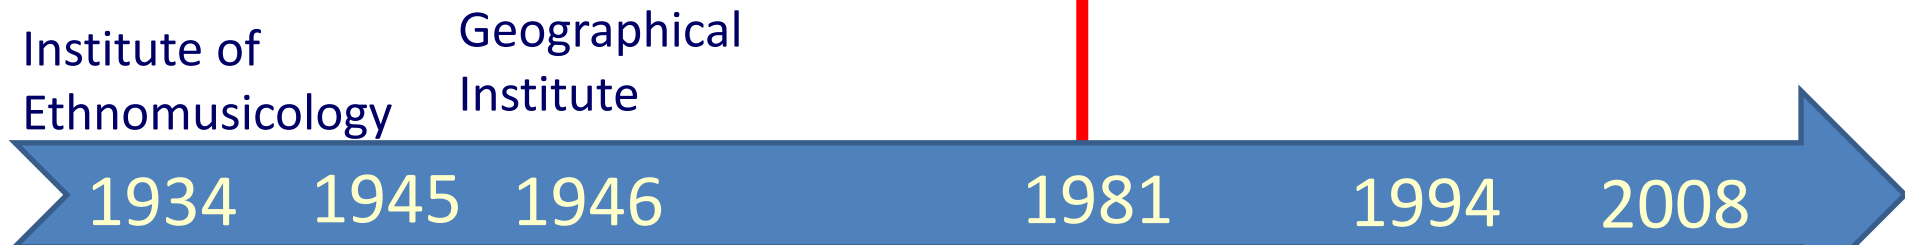

How to grasp a long-term impact, an impact that extends beyond EU financial frameworks?

Slovenian Academy of Sciences and Arts
