

European Institute of Innovation and Technology (EIT) Urban Mobility

EIT Urban Mobility: Together for more liveable urban spaces in Slovenia

School of Economics and Business, University of Ljubljana | [Kardeljeva ploščad 17, 1000 Ljubljana](#) (Slovenia) | [Registration form](#) | Event language: English

Thursday 28 October 2021

Innovation Hub Central, one of the five Innovation Hubs of EIT Urban Mobility, organises in cooperation with the Slovenian Business and Research Association (SBRA) and RIS Hub Slovenia, this outreach event with the aim to increase awareness about EIT Urban Mobility, its objectives and activities, in Slovenia and Croatia; to strengthen our partner community in the countries by bringing together relevant stakeholders on urban mobility; and to find potential ways of future collaboration.

The event has been listed as official event of the Slovenian Presidency of the Council of the European Union.

Target audience: national authorities, cities, universities, research institutes, industry players and companies, start-ups, smart specialisation organisations and other key players on urban mobility in Slovenia and Croatia.
