

LJUBLJANA UNIVERSITY INCUBATOR & EIT HEALTH IN SLOVENIA

LJUBLJANSKI UNIVERZITETNI
INKUBATOR

Jakob Gajšek

An aerial photograph of a wide river valley, likely the Sava River in Ljubljana, Slovenia. The river winds through a lush green landscape with rolling hills and patches of forest. In the distance, a range of mountains is visible under a clear sky. The foreground shows a small village with a church and some trees. The entire image has a blue tint.
