

DIGITAL FOOTPRINT IN HEALTHCARE THAT MATTERS

Janez Bensa, CEO, Parsek

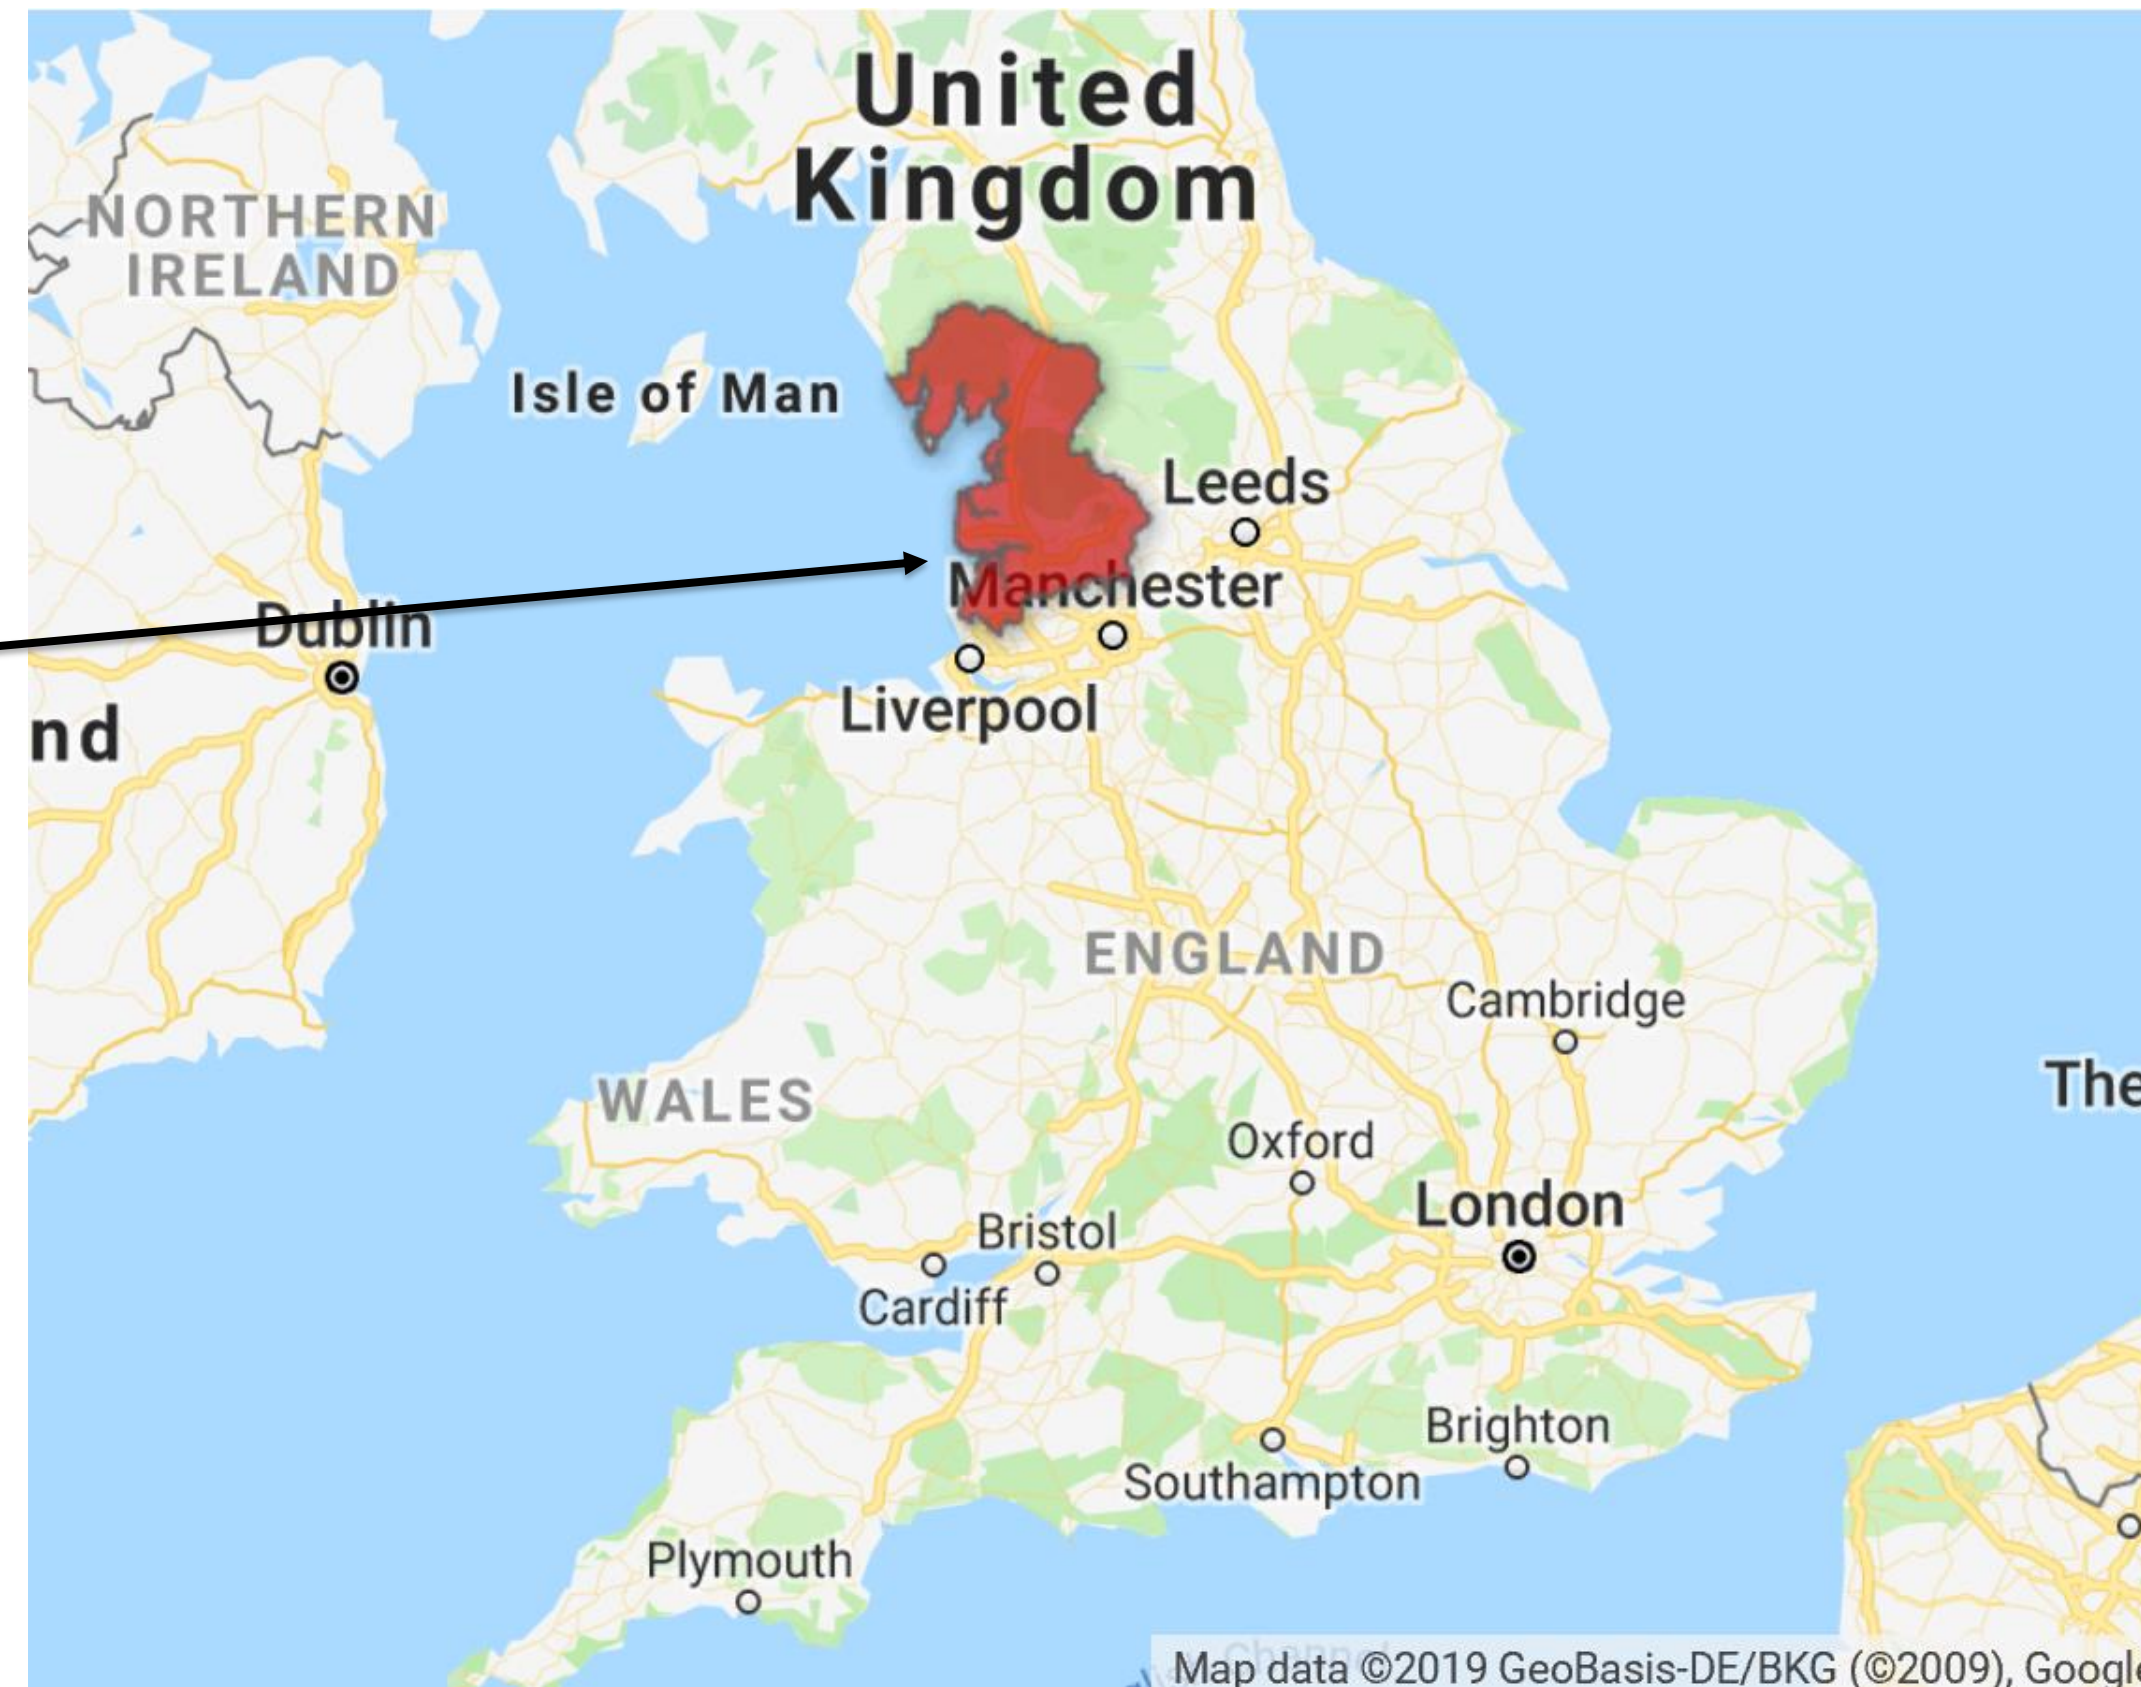

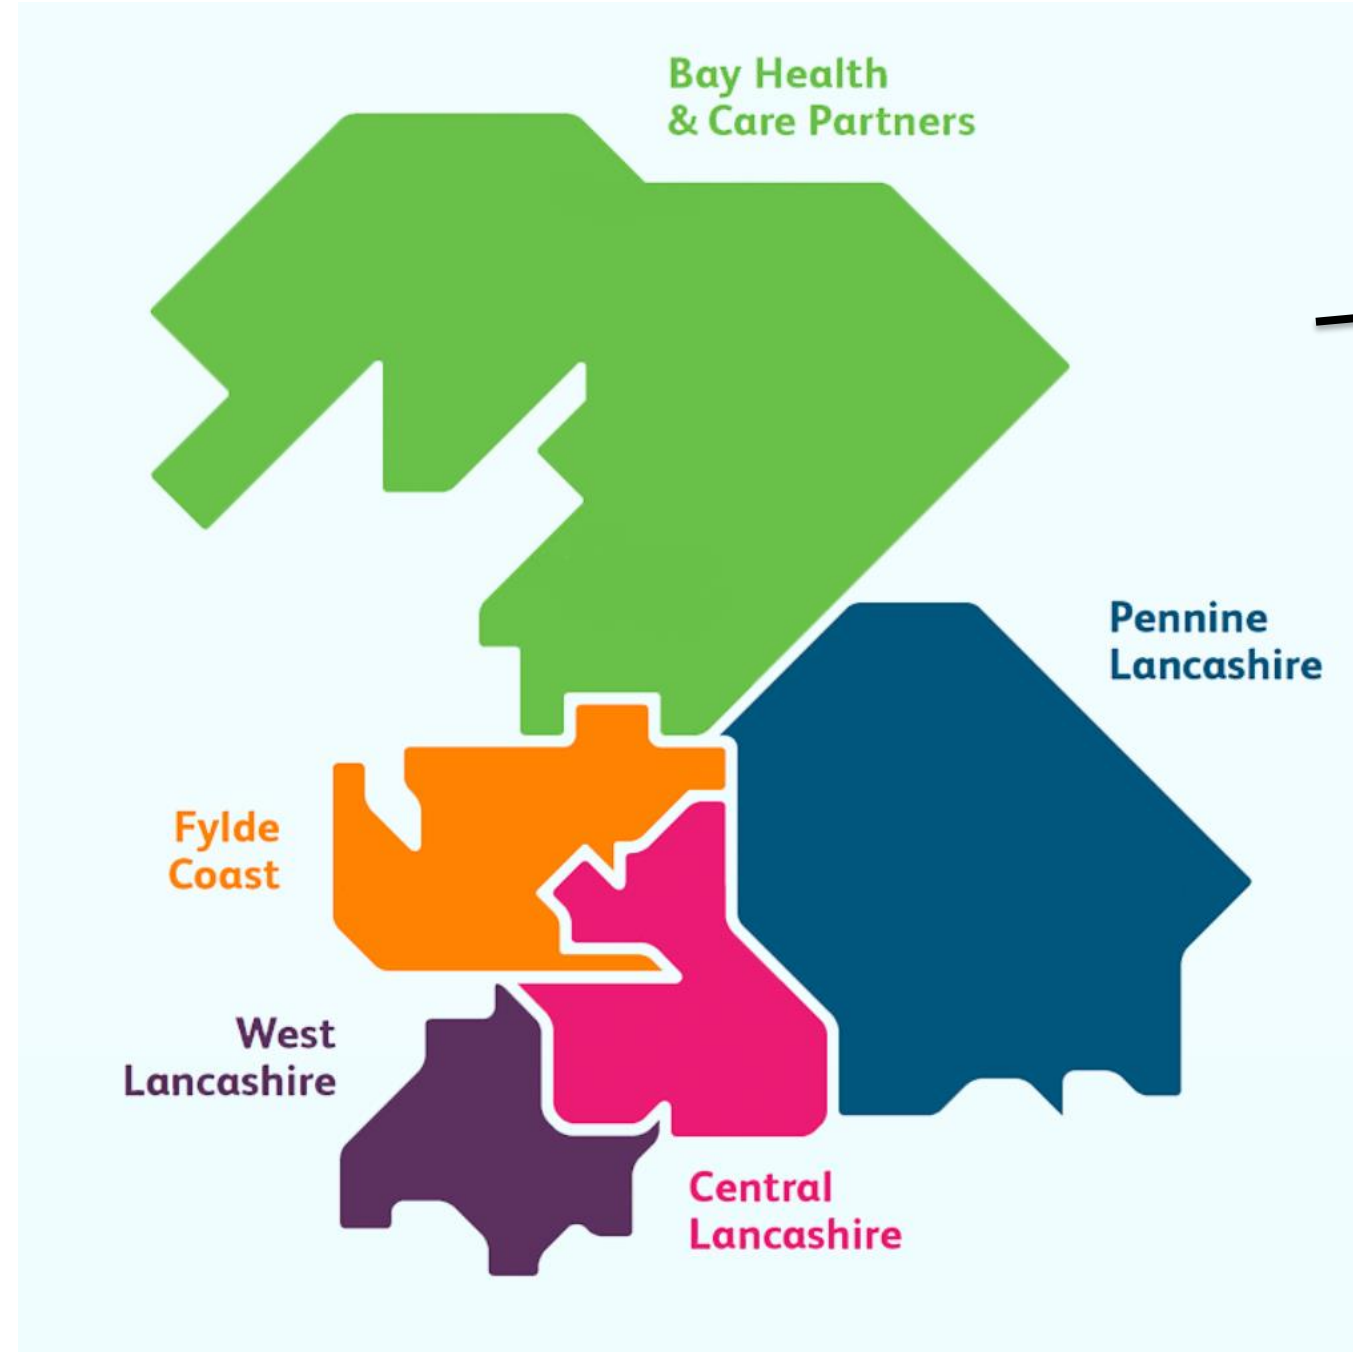

Due to lack of care coordination,
**patients are often
experiencing discontinuity or
disparity in care**, despite the best
of efforts from dedicated clinical teams.

„Empower The Person“

a Healthier Lancashire and South Cumbria initiative

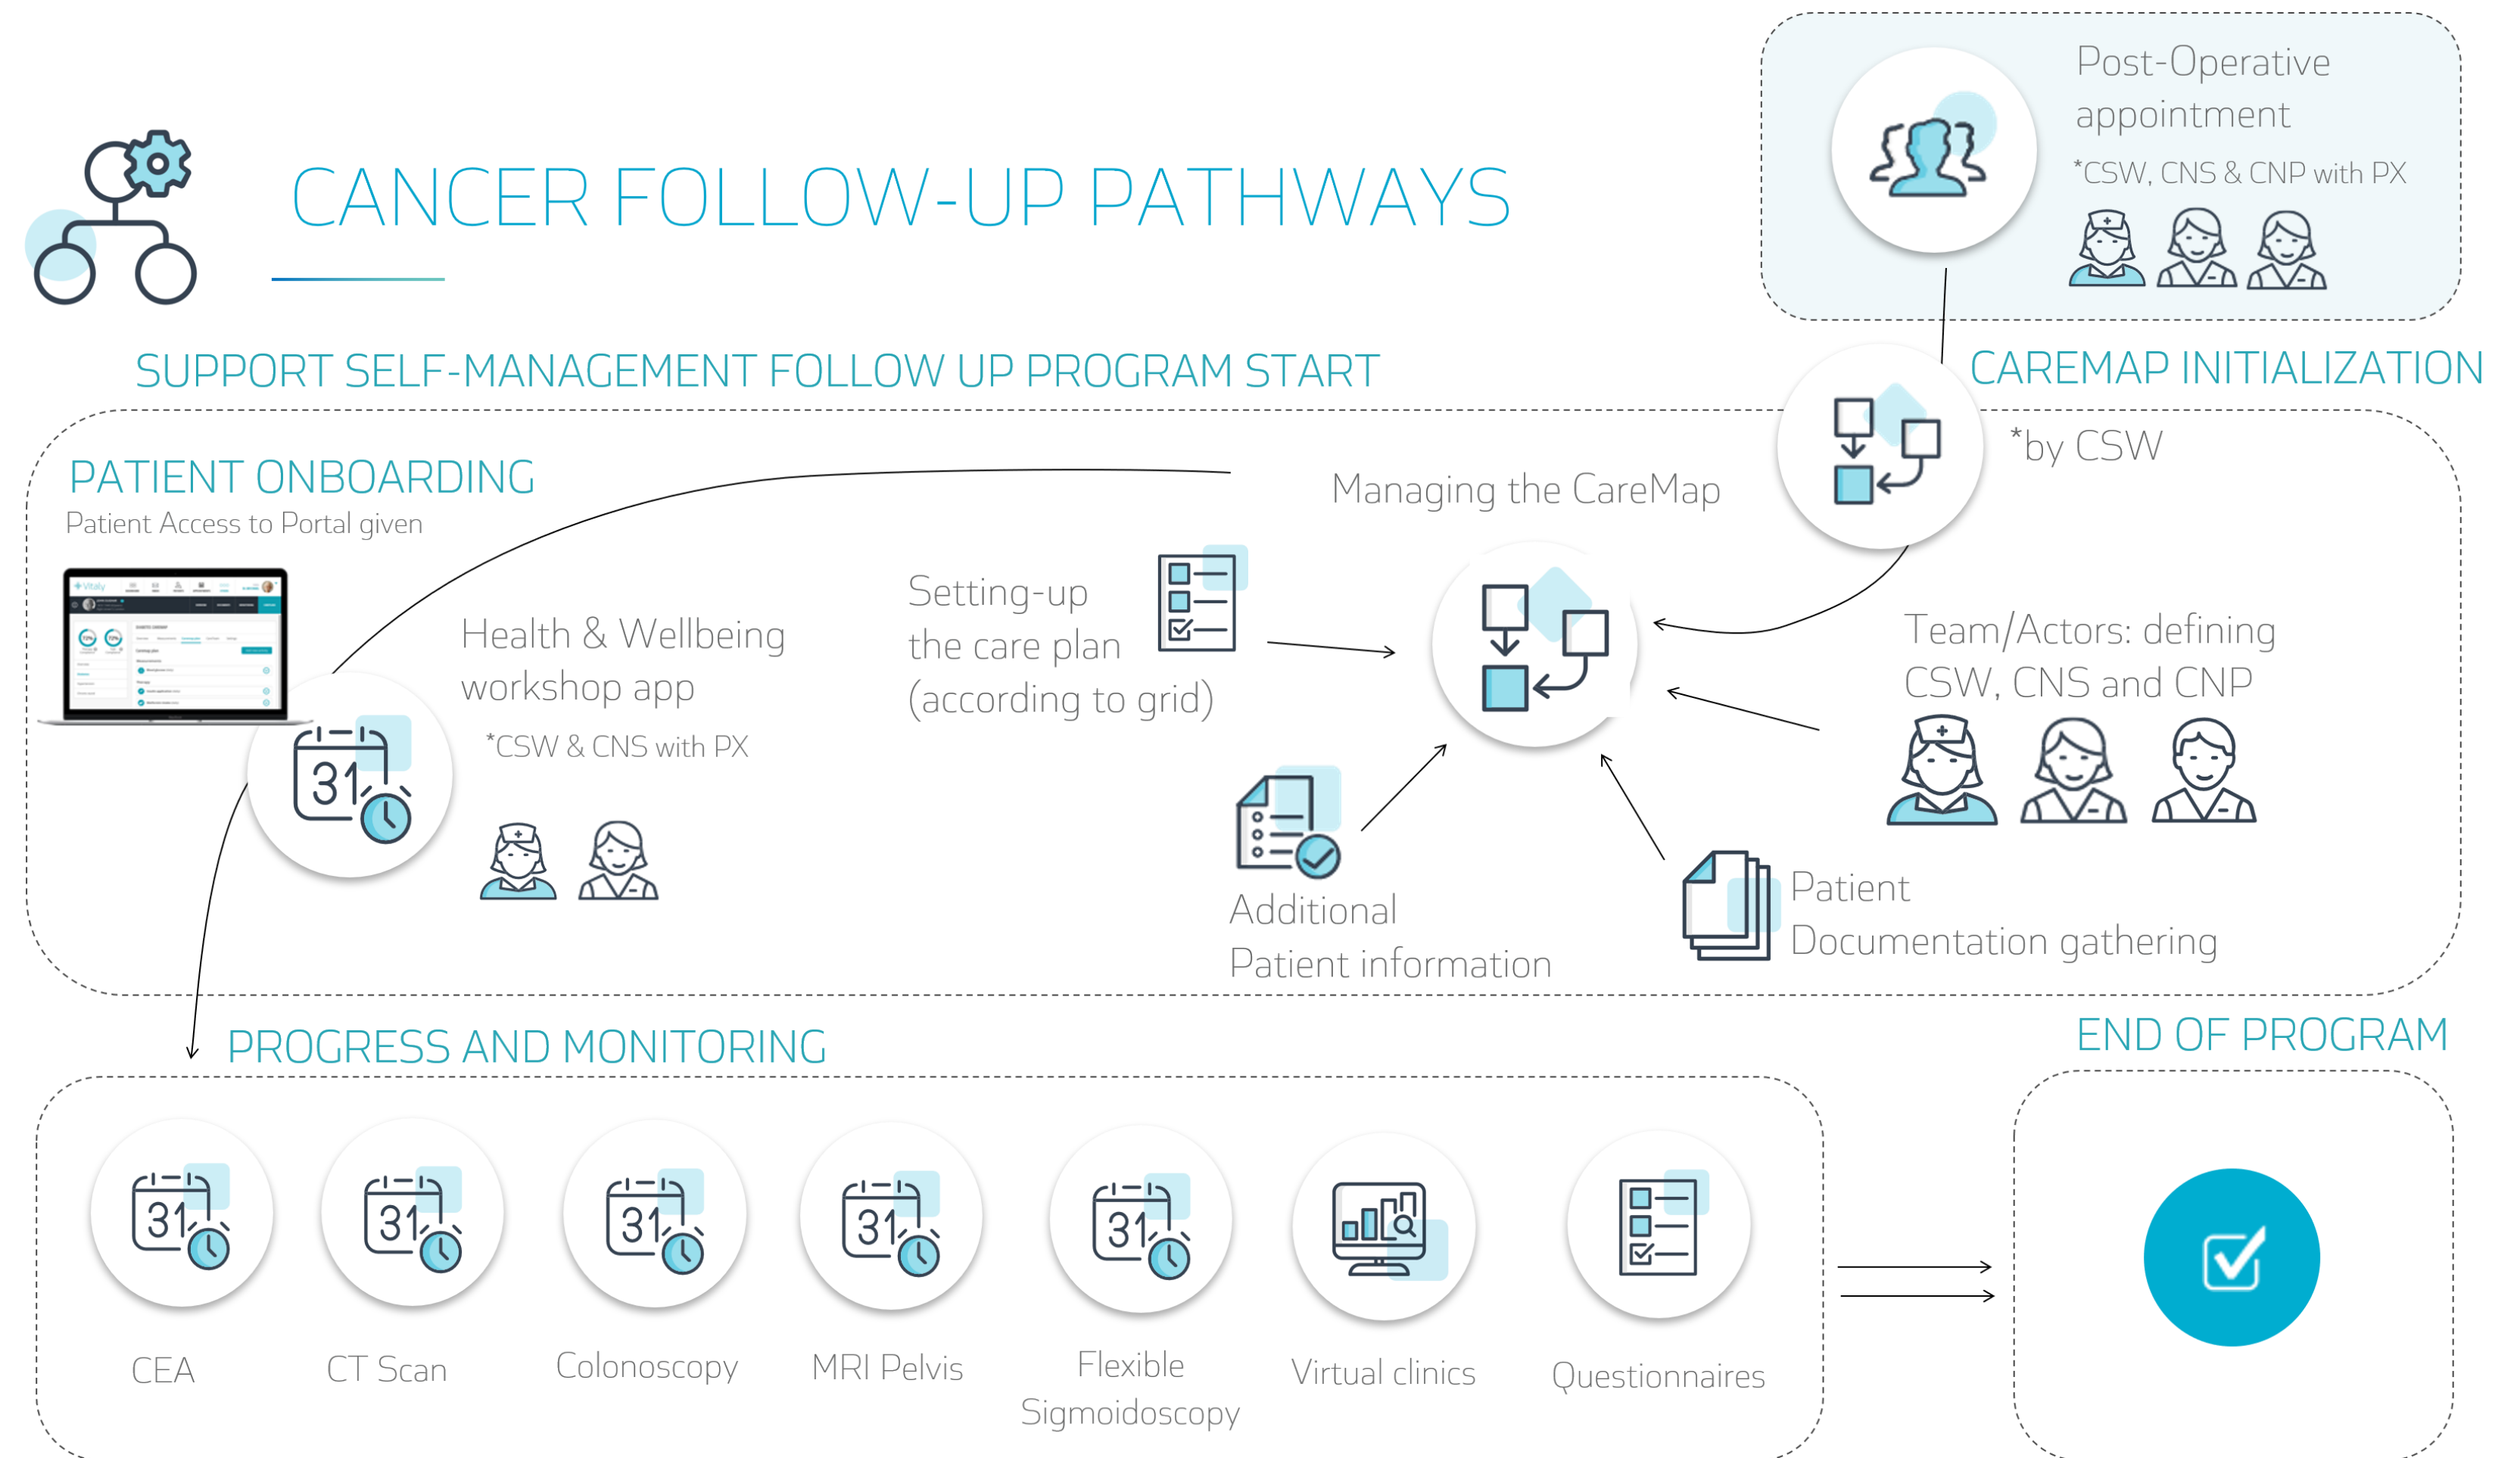

- Population size: 1.8M
- 4 hospital trusts
- 1 mental health trust
- 3 main councils
- 220 GP Practices
- Local Health and care record exemplar region LHCRE with Cheshire and Merseyside 4.5 Million population

Personalised Stratified Follow-Up in cancer care

- *Breast cancer*
- *Colorectal cancer*
- *Prostate cancer*
- *Etc.*

* Following NICE guidelines
* Aligned with NHS Long Term Plan requirement - implement PSFU by 2020/21

...that can be **achieved** and
measured.

+35%

Quality of life

IMPROVED THERAPY OUTCOMES

Increased quality of life score - due to continuous support, improved communication, surveillance options

Gensini, G. F.; Alderighi C.; Rasoini, R.; Mazzanti, M.; Casolo, G.: Value of Telemonitoring and Telemedicine in Heart Failure Management. Card Fail Rev. 2017 Nov; 3(2): 116-121. doi: 10.15420/cfr.2017:6:2.

Hello Helen,

Yes, you will have the document available here after your follow-up appointment where the results will also be explained to you. Your follow up-appointment is next month, you will receive the date and time in a few weeks.

HEALTH JOURNAL

Not feeling very well

I have a fever today and a headache, seems not connected to my breast cancer. I hope i get better soon

Why not **make it present**
instead of future.

Thank YOU.
