

# Development of Biopesticides formulations from Natural Resources of Nigeria.

John Gushit,  
University of Jos, Nigeria.

Brokerage event on calls for collaboration with  
African researchers under the Horizon Europe  
programme clusters 5 & 6

23 November 2022

# Short introduction of your Organisation

- ▶ University of Jos established in 1971, with a vision of being a place for **Learning, Research, & Innovation**,
- ▶ Research: Has a Culture of collaboration to drives innovative discoveries in areas vital to our world, our **health and our intellectual life**.
- ▶ Has experience Hosting and Implimenting **International and National Grants**
- ▶ Actively involved in **Mentoring** and Awards of graduate (PhD, MSc...) and Undergraduate degree
- ▶ Host a Center of **Biotechnology Research Center hosting basic research facilities**
- ▶ NRF Research Team with a Grant to Facilitate the **Bio Products Formulations**
- ▶ Not sure of the Ranking, but not one of the top 1000, but full of CAPACITY for growth

# Expertise University Jos/BioProductsResearch Centre)

- ▶ Office of Research and Development (ORD) ensure the **smooth Implimentation of institutional researches**
- ▶ Experience in the **management of Grants**
- ▶ **Bio Solutions** (Environmentally friendly products: pesticides , textiles, household products
- ▶ Solution for **sustainable water management**
- ▶ Availablity of space and basic amenities to **support research**
- ▶ Readily Available **Research Assistants** and **Partners** in all fields

## Profile you are seeking and why)

- ▶ Collaboration to find sustainable Bioproducts Alternatives for -Sustainable Healthy Environment
- ▶ Collaboration for mentorship (Scholars and post graduate students) -Enhance productivity
- ▶ Inter Institutional exchange of research visits for faculties, laboratory bench analysis- For Careers Development
- ▶ Equipment donors to support researches in chemical and environmental researches-Support Researches
- ▶ Data Exchange for - Enhance research
- ▶ Grant opportunities - To explore opportunities

# Contact details

**John Gushit PhD,**  
Reader of Chemistry and Principal Investor  
NRF Bio Research Team ,  
Department Science Laboratory Technology/Chemistry,  
University of Jos, Nigeria.
