# Diversity

# Take-home message

Inter/multidisciplinarity;  
Balance between  
challenge-driven and  
curiosity-driven research;  
Combining local, national  
and global perspective.

Imagination, courage,  
enthusiasm, confidence,  
creativity, objectivity,  
responsibility

Wide cooperation within and beyond  
scientific community

help expand knowledge, achieve excellence  
and have a meaningful societal impact
