

HORIZON EUROPE

Widening Participation and Spreading Excellence

6 July 2021 | 13:00 – 15:30

Online via WebEx

*Under the patronage of the Slovenian Presidency of the Council of the EU, the Slovenian Business and Research Association in Brussels (SBRA), the European Office of Cyprus – Brussels Office, NCBR Office in Brussels – Business & Science Poland, Eötvös Loránd University and the National Research, Development and Innovation Office in Hungary have the pleasure to invite you to participate in the virtual information event on **Horizon Europe: Widening Participation and Spreading Excellence**.*

*This virtual event will focus on the **research communities of the widening countries**: Bulgaria, Croatia, Cyprus, Czechia, Estonia, Greece, Hungary, Latvia, Lithuania, Malta, Poland, Portugal, Romania, Slovakia and Slovenia.*

*In the **first part**, the Slovenian presidency and the representative of the research organisation will present their views on the importance of the widening programme.*

*The **second part** of the event, will be dedicated to the presentation of the **experiences of the previous widening projects and the discussion on how to best achieve the following key objectives** of the Horizon Europe Widening participation programme:*

- 1. Encourage institutional reforms and transformation processes of the R&I system at national and regional level in widening countries in line with ERA principles;*
- 2. Mobilise national investments in R&I capacity in widening countries;*
- 3. Raise the bar for excellence of R&I actors in widening countries in partnership with outstanding European and international institutions ('win-win situation');*
- 4. Increase number of participations and success rates of widening actors in research and innovation projects in other parts of Horizon Europe (notably in pillars 2 and 3);*
- 5. Promote the creation of new innovation ecosystems and scale up existing ones by a set of measures, which include, among other, place based and international collaboration between academia and business in widening countries;*
- 6. Foster brain circulation, including inter-sectoral mobility for researchers and innovators and turn it into brain gain for widening countries.*

*In the **third part** of the event, the first two destinations of the working programme **Widening participation and strengthening the European Research Area** will be presented:*

- 1. Improved access to excellence;*
- 2. Attracting and mobilising the best talents.*

The deadline for registration is 5 July 2021. Please register at:
